REVIEW COMMINDATIONS			
<p>At each site reviewed it was very evident that the nutrition staff where well trained and very knowledgeable on the meal pattern and Offer vs. Serve requirements. Additionally, all of the nutrition staff were respectful to the students and worked well with each other. All of the kitchens visited were also clean and well organized.</p> <p>I would like to thank the Nutrition team at Matanuska-Susitna Borough School District's nutrition department for all of the hard work they do to make sure the students in the Matanuska-Susitna Borough School District receive a healthy balanced meal.</p> <p>This review is very intensive and has a broad scope of responsibilities and is forever changing. This group does a great job keeping up on those changes and making sure the program is in compliance and continues to run smoothly.</p>
